

Sonu Sood launches rural B2B travel tech platform Travel Union

Bollywood actor-cum-philanthropist Sonu Sood on Friday launched Travel Union, a rural business to business (B2B) travel tech platform, to democratise travel services. The platform will give access to all trains operating in India through IRCTC, over 500 domestic and international flights, over 10,000 bus operators, and more than 1 million hotels to its members and users.
